MONTHLY SPECIES COMPETITION 2023						
SPECIES	START DATE	END DATE FOR MONTHLY PRIZES				WINNER LENGTH IN INCHES
		May 31	June 30	July 31	Aug 31	
LAKER	May 1	31 DAYS				WINNER: longest Laker on May 31
COHO	May 1		61 DAYS			WINNER: longest Coho on June 30
RAINBOW	May 1			92 DAYS		WINNER: longest Steelhead on July 31
CHINOOK	May 1				123 DAYS	WINNER: longest Chinook on Aug 31
<b>TOTAL LONGEST LENGTH OF ALL 4 SPECIES ON AUGUST 31 is the FISH HAWK ANGLER OF THE YEAR CHAMPION</b>						

**Note:** a participant can continually upgrade the length of any specific species throughout the four (4) month,123 day competition. The monthly winners will be determined by the longest fish at **midnight**, on the last day of each "Species" month.  
 For example, the largest Coho (June), will be determined at midnight June 30th, so the angler has 61 days to catch the longest Coho. Once the Coho has been crowned as the monthly winner at midnight on June 30th.  
**\*\*The angler can "cull" that fish and continually upgrade the length towards the Angler of the Year total length.\*\***
